

Outstanding

New Faculty and Staff Members

We welcome one of the most mission-oriented and experienced groups of new-hires in the history of the school. Collectively, the incoming 13 teachers have over 110 years of teaching experience, including six master's degrees, 13 bachelor's degrees, and numerous other discipline-specific qualifications. More importantly, these are AHS "mission people" at the deepest levels, as you will come to know and feel when you meet them. See american-heritage.org/home/welcome2017 for full bios.

Ryan Anderson
HS Biology & Medical
Anatomy Teacher

Brian Smith
Athletic Director,
P.E. Teacher &
Conditioning Coach
